Dear Mr. Secretary;

I protest the Trans Allegheny Interstate Line (Case No. 07-0508-E-CN)
Because I have young children and I raise a garden to feed them. I am very
concerned about the effects that a power line of this nature and all that must
be done to maintain it will have on our surroundings. I fear for my family's
health. Please include my letter to protest the above case.

Thank you
