Attn: Docket No. 2007-OE-0

Office of Electricity Delivery and Energy Reliability
OE-20
U.S. Department of Energy
1000 Independence Avenue SW
Washington, DC 20585

Dear Sir or Madam:

I am extremely concerned regarding the Department of Energy's ruling to approve the Mid-Atlantic Area National Corridor. I believe that the Department did not completely examine the public concerns and the eventual negative impact that my community, and many others like mine, will suffer through. For this reason, I am requesting a rehearing of the order in Docket No. 2007-OE-01.

Sincerely,

Kevin M. Brogley
